Find your dream. Find your focus. Find your success at Trocaire.

RADIOLOGIC TECHNOLOGY A.A.S. (RT) PROGRAM
ADMISSION CRITERIA - FALL 2015

Program Prerequisites

- Algebra: The algebra requirement is met when students achieve a score of 58 or above on the algebra section of the ACCUPLACER test. Students who do not achieve a score of 58 or above must take MA097 or an equivalent course.

- Students are required to complete the following high school science courses. Course grade in each course below must be 75% or higher. Passing grade on Regents Exam preferred.
    - Biology (Living Environment)
    - Chemistry
    - Physics

If prerequisite class was not taken in high school, it may be taken in college with a "C" or above. Lab in the above prerequisite classes is not required at the college level.

College Transfer Students

- MINIMUM GPA Requirement – 2.75 (cumulative)
- Trocaire College will accept courses (for transfer credit) from other educational institutions; a minimum grade of "C" is required for these courses.

High School Students

- 85% (or higher) overall high school average

A limited number of spaces will be allocated for high school students that are qualified to directly enter the program in the Fall. An updated transcript with mid-year grades must be submitted in December to aid in the decision process. High school students are ranked by cumulative GPA and initial review will occur during February 2015. All program prerequisites must be completed before enrollment.

Current Trocaire Students

Radiologic Technology applicants with an overall cumulative average of 2.75 thru 4.0, will be ranked according to cumulative GPA.

Important Information

- ACCUPLACER Placement Test must be completed prior to review.
- All transcripts must be received prior to review.
- The number of spaces available for the RT Program will vary on a yearly basis. If an applicant is not selected and still interested, he/she should notify the admissions office to change the semester of their application.
- There is no waiting-list for this program.
- You are encouraged to apply early. *Your application submission date will be taken into consideration* during the selection process for admission into the RT program.

Revised March 2015
