Kids on Campus

Summer 2008

Summer 2008

Kids on Campus offers programs for children of all ages that are educational and fun. Whether sharpening skills or exploring fun topics, Kids On Campus provides courses to meet your child's needs. Programs include:

- **Preschool Programs** (Ages 4-5)
- **Classroom Skills Boosters** (Kindergarten-Grade 6, see individual classes for grade level)
- **Kool Classes** (Ages 6 and up, see individual classes for minimum age)

BOOST YOUR CLASSROOM SKILLS

Basic Reading

Strengthen and reinforce the skills necessary for reading. Children gain confidence in their abilities by working in small groups. Vocabulary development, classification, main idea, sequencing & listening skills will be stressed.

Grade 1 through Grade 3

Supplies needed: pencil, scissors, glue, ruler, and crayons.

Instructor: Patricia Witulski

Lab Fee: \$5 payable to the instructor

July 7 -24

Monday - Thursday

9:00 AM - 11:15 AM

Room 204

\$129

Jump Start for English Language Arts Assessment Test

Designed to develop reading comprehension, listening and writing skills to insure success on New York State's English Language Arts Test. Children are given an opportunity for creative writing, as well as refinement in comprehension and skills.

Instruction, test-taking tips and practice will also be provided.

Grade 3 and Grade 4

Supplies needed: pencil/pen, 2" binder, loose leaf paper, crayons/markers and highlighter.

Instructor: Jennifer Gonsiorek

Lab Fee: \$5 payable to the instructor

July 7 -24

Monday – Thursday

9:00 AM – 11:15 AM

Room 205

\$129

Jump Start Into First Grade

Concerned that your child will forget everything learned in kindergarten? Ease your worries by providing a "jump start" into **first grade** with this refresher course specifically designed to reinforce and extend reading readiness, phonics, math and listening skills.

Ages 5-6 years

Supplies needed: pencil, scissors, folder, paper, glue, ruler, and crayons.

Instructor: TBA

Lab Fee: \$5 payable to the instructor

July 7 -24

Monday - Thursday

9:00 AM - 11:15 AM

Room 260

\$129

Nifty Numbers

Is math the sore spot on your child's report card? The key to success in math is to build a strong foundation. Build your child's confidence in math through reinforcement and practice of basic math skills.

Grade 1 through Grade 3

Supplies needed: pencil, scissors, glue, ruler, and crayons.

Instructor: Patricia Witulski

Lab Fee: \$5 payable to the instructor

July 7 -24

Monday - Thursday

11:30 AM - 1:00 PM

Room 204

\$109

Math Mania

Helps children in grades 4, 5, and 6 review some of the problem situations. Concentration will be in areas such as multiplication, division, fractions, and word problems. Children will be able to use manipulative and learning games so that they will be able to find success and confidence in Mathematics.

Grade 4, 5, and 6

Supplies needed: pencil, folder, paper, ruler, crayons, glue, and scissors.

Instructor: Jamie Repman

Lab Fee: \$5 payable to the instructor

July 7 -24

Monday - Thursday

11:30 AM - 1:00 PM

Room 205

\$109

Test Preparation for Grade 5 Social Studies

Improve Social Studies skills. Focus on vocabulary development, document based questions (DBQs), and essay writing. Students will be prepared to take the New York State Fifth Grade Social Studies Test.

Grades 4 - 5

Supplies needed: pens, pencils, ruler, highlighter, index cards, notebook and folder.

Instructor: TBA

Lab Fee: \$5 payable to the instructor

July 7 -24

Monday - Thursday

11:30 AM - 1:00 PM

Room TBA

\$109

Trocaire College does not discriminate in admission, employment, in the administration of its educational policies, scholarship and loan programs, and other institutionally administered programs on the basis of race, color, age, national and ethnic origin, religion, gender, marital status, veteran status, sexual orientation.

BOOST YOUR CLASSROOM SKILLS

PRESCHOOL PROGRAM

It's a Bug's Life

Come along for the fun! Learn about different bugs and using fun materials you can make one of your very own! Don't be bugged by the summer, join us for a creepy, crawly week.
